(iv) Electronics Trade and Technology Development Corporation (ET&T), a public sector undertaking under the Department of Electronics, under their 'Material Technology Brand Name' (MTB) programme will provide help to industry to produce quality products at reasonable cost by supplying material by them in bulk along with necessary technology. It is expected that CTVs manufactured under this scheme will be available at a price less than the price at which the CTVs are being sold in the market.

(v) ET&T shall supply Colour Picture Tubes in adequate quantities to the various Colour TV manufacturers.

(vi) As a result of the discussions with Indian TV Manufacturer's Association, they have provided us the list of 6 members of their Association, who have agreed to sell their economy model colour TV sets through Government distribution net-work, such as, co-operative societies, super bazars etc. Action has been initiated by Department of Electronics.

With the above steps and the market forces operating prices of some models of CTV sets have come down.
